

Highlights: Forward Motion

Thanks to the generosity of donors, Emmaus Bible College completed or furthered a number of goals in Fiscal Year 2022. These include:

- Enhanced **student experiences and safety** through projects, including upgraded fire alarms, roof repairs, new residence hall mattresses, and an updated lobby entrance.
- Launched a **national marketing initiative** to increase Emmaus's brand recognition and further enrollment goals.
- Added Men's and Women's **Cross Country** teams.
- Rebranded and expanded our **Emmaus Global Campus** online programs.
- Introduced Emmaus's **Concerning Him** blog and podcasts.

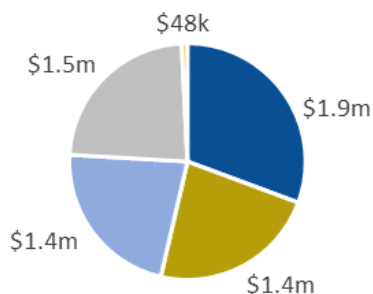

We are excited about the direction of Emmaus and look forward to more forward movement! Thank you so much for praying with us for the work at Emmaus Bible College.

Sincerely,
Philip Boom, President

Alumni Spotlight: Derrek Atherley

Derrek Atherley, class of 2012, is a Network Communications Manager at RSM. Emmaus taught him how to be a good steward of what God gives. That allows him to consistently outperform his peers from other large, public schools.

As a hiring manager, Derrek knows Emmaus applicants will arrive well-trained with critical thinking, problem solving skills to get the job done. Even more important, in his eyes, is the character of an Emmaus grad. He knows Biblical ethics and integrity will be paramount in their life.

Derrek and his wife Molly (Barsness), also a 2012 grad, were both able to see how Emmaus faculty lived in a Christlike manner as they visited homes. Now as parents, they emulate what they experienced.

Alumni like Derrek remind us that Emmaus's professional, practical education immersed in Bible and Theology continues to be a wise course to follow.

Help Emmaus Continue Moving Forward
