## DERREK and MOLLY ATHERLEY, '12

Derrek and Molly Atherley, both class of 2012, met at Emmaus. Derrek, a **Computer Systems graduate**, is now a Network Communications Manager at RSM. At Emmaus he learned that everything he does must point back to Christ and to be a good steward of all that God has given him. These lessons, coupled with his professional degree, allow him to consistently outperform his peers from large state schools.

As a hiring manager at RSM, Derrek knows that Emmaus applicants will arrive well-trained with critical thinking and problem-solving skills to get the job done. Even more important, in his eyes, is the character of an Emmaus grad. He knows Biblical ethics and integrity will be paramount in their life and their actions focus will on bringing glory to God.

Molly, a **Biblical Studies graduate**, and Derrek walk the walk at home with their children, too. They were both able to see how Emmaus professors lived in a Christ-like manner as they visited faculty homes and families. They emulate what they saw and experienced in their life as parents today.

Alumni like Derrek and Molly remind us that professional, practical education immersed in Bible and Theology continues to be a wise course to follow.

## JOSH and KAITLIN MATTE, '25

Emmaus student Josh Matte is a soccer player, a camp counselor, a **Ministry Leadership major**, and a newlywed. Josh and his then-girlfriend, now wife, Kaitlin Matte, came to Emmaus from Windsor, Ontario. Kaitlin is an **Elementary Education major**, with a minor in Greek. Both expect to graduate in 2025.

At Emmaus they have discovered that they are pushed academically, spiritually, and athletically while being met at every turn with the Truth. The professors, coaches, and RAs challenge students like Josh and Kaitlin to be more Christ-like as they receive the good works that God has prepared for them. Josh says, "Emmaus is unabashedly Christian as it helps students understand the way, the truth, and the life (John 14:6)."

Josh is captain of the Emmaus Eagles soccer team and spends his summers serving on the program staff at Living Waters Bible Camp, where he focuses primarily on discipleship. He considers his time at Emmaus to be some of the most formative years of his life because they have been filled with professors who teach classes with uncompromised Biblical truth and provide examples of true discipleship.

After graduation Josh and Kaitlin intend to move to Salt Lake City, Utah. Kaitlin hopes to teach in a public school, and she is learning from her Emmaus professors how to appropriately use that as an evangelism platform. Josh's goal is to share the Gospel with members of the LDS church.
